

Symposium Information

Why You Should Attend

- Recognized and endorsed by all the major publishers & the International Society of Fire Service Instructors as one of the premier state programs
- Meet directly, one on one, with each publisher representative
- Network with: Fire Instructors, EMS Instructors, Training Officers, Program Coordinators, Program Directors, and Students

Continuing Education Credit

Seven (7) hours of continuing education credit will be awarded. Continuing education credit is based on 100% attendance. Partial day credit will not be given.

The OSU Center for EMS is an approved CE site by the Ohio Department of Public Safety/Division of EMS. Credit may also be used by nurses and others as acceptable by your licensing boards.

Registration

The agenda is the same for each day so you can elect to attend one or both days depending on whether you need credit for Fire or EMS instructor certification or both.

The registration fee is \$35.00 for OSFSI Members and \$55.00 for Non-Members but this fee does include a one-year membership to OSFSI. The registration fee includes parking, a continental breakfast, lunch, and CEUs .

Pre-registration for the symposium is required by Friday, October 25, 2013.

Registration should be done electronically by going to <http://tinyurl.com/osfsi-symposium>. In order to register electronically you will need to use either a Visa or MasterCard. To register with a check complete the attached form and mail with your check to the address on the form. To register using a purchase order complete the form and fax along with a copy of the purchase order to 614.273.1401. All confirmations and final directions will be sent by email.
